Hi Matt,

Great to hear from you! Sorry for the delay . . . I'm in Greece and checking email infrequently.

Yes, there is either a 2 year or 4 year term to fill. The application window opens on July 18 and closes on August 12. It is strongly recommended that candidates file on, or very close to July 18. Election information should be posted on the Marin County website: <https://www.marincounty.org/depts/rv>

You will need to complete the application and be sure to state which term you are running for, and you will have to go to the Civic Center to drop it off in person. Additionally, you'll need to bring a blank check and the statement must be emailed in Word or emailed text, not PDF, JPEG, etc.

In terms of a time commitment, I would say about eight hours per month would be the average. This includes reading my weekly updates, reading the Board agenda in advance, attending monthly Board prep meetings, and the actual monthly meeting.

You'd be a great candidate and I'm glad you are strongly considering it. If you have any further questions, feel free to ask Annie Sherman, Mary Anne O'Keeffe, or I. FYI . . . I'll be in Greece through July 30th, so I might have a delayed response.

I hope you are having a great summer as well!

Hi Brett,

Hope the summer is treating you well! I am circling back to the conversation that we had towards the end of the school year. I am considering joining the board, but wanted to check back in and see i) if there were still spaces to fill; and ii) what the timeline was that I would need to decide by.

I would love to get the chance to serve the community, and I'm trying to assess whether or not I can dedicate enough

time to the role with my current schedule.

Hope you are finding some time to relax with your family this summer and thanks again for all that you do for our community and kids.

Cheers,
Matt Kirk
